## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

<b>Preamble</b>	Preamble: Charter should include language stating the “intent to value inclusivity” and “relying on general statutes to oversee our information dispensation efforts is neither just nor intentional <sup>1</sup> .”
Legal Issues/Comment	The Preamble was adopted by the last Charter Commission as an aspirational statement.
<b>Chapter I Definitions</b>	<ul style="list-style-type: none"> <li><b><u>Charter §1-4.B:</u></b> Review the term “Capital Expenditures” with Bond Counsel and make certain that it works with the budget provisions of the Charter<sup>2</sup>.</li> <li><b><u>Charter §1-4.O:</u></b> Review the word “vote” throughout the Charter to make certain there is consistent application; unless otherwise intended<sup>3</sup>.</li> <li><b><u>Charter §1-4.O:</u></b> Review the word “cast” as set forth in this section<sup>4</sup>.</li> <li><b><u>Charter §1-4.Q + V:</u></b> Review the term “Meeting (or Hearing) Notice” and “Public Notice” re – issue of “newspaper” publication<sup>5</sup>.</li> <li><b><u>Charter 1-4 (NEW)</u></b><sup>6</sup>: Adding a definition of “inclusivity” as our town defines it.</li> <li><b><u>Charter 1-4 (NEW)</u></b><sup>7</sup>: There are a series of comments addressed under the guise of IT infrastructure<sup>8</sup> of Hamden as relates to communications<sup>9</sup>, website access and interface, email correspondence<sup>10</sup> and participation in remote or hybrid public meetings<sup>11</sup>. While some of the issues are budgetary the Charter may include definitions of “Meetings” or “Public Participation” that could embrace these notions.</li> </ul>
Legal Issues/Comment	These issues will require a combination of word searches and some policy choices.
<b>Chapter II Incorporation</b>	<b><u>Charter §2-2 - Incorporation:</u></b> As the 11 <sup>th</sup> largest municipality the time has come to call Hamden as city as opposed to a Town <sup>12</sup> .
Legal Issues/Comment	Requires a legal determination of the basis for the current classification

## Chapter III Elections and Elected Officials

- **Charter §3-3.A(1), §3-3.C(2) and §6-1– Status of Town Clerk**
  - Town Clerk should be a classified civil service position<sup>13</sup>
  - Town clerk should remain an elected position and not become an appointed position<sup>14</sup>.
- **Charter §3-3.E – Election of At-Large Members of the Legislative Council:**
  - There should be more minority party members<sup>15</sup>.
  - Nonpartisan election for Legislative Council<sup>16</sup>.
  - Eliminate at-large council members; replace nine districts with five with three members each (15 members)<sup>17</sup>.
  - “Electors shall vote for no more than four (4) At-Large candidates.” Proposal: Replace 4 with 6<sup>18</sup>.
  - Reduce the number of districts in Hamden in order to reduce the disparity that continues to increase<sup>19</sup>
- **Charter §3-3.F – Election of Board of Education:**
  - Four Year Term<sup>20</sup>.
- **NEW.** Make high profile positions part of the election process<sup>21</sup>.
- **Charter §3-5.A - Mayoral Vacancy and Succession:** Eliminate the Special Election. Currently the Council President succeeds Mayor for a period of time. There should be an option for the Council President to step aside and allow the Pro Tem to succeed as Mayor<sup>22</sup>. The Town Attorney agrees that revision along the lines proposed is necessary<sup>23</sup>.
- **Charter §3-5.B – Legislative Council and Town Clerk Vacancy:**
  - Vacancies on the legislative council should be filled within 3 months<sup>24</sup>. If the Legislative council has a

## Chapter IV Legislative Council

- **Charter §4-3.C - Public Comment:** Review this provision for greater clarity<sup>32</sup>?
- **Charter §4-5.C – Increase or Decrease Budget:** Should include reference to Capital Expenditures and Budget<sup>33</sup>?
- **Prohibit Public Employees from Serving on LC<sup>34</sup>:**
  - Public employees should not be able to serve on the LC nor should relatives of employees<sup>35</sup>.
  - This poses a conflict of interest- pitting personal interest above public interest and creating a culture of distrust by residents.
  - Citizens must be able to trust their elected officials.
  - Employees currently serve at the will of the Mayor and risk their jobs if they disagree.
  - Change the rules to **disallow** Town employees, retirees or relatives of retirees or employees from serving on the **Legislative Council, commissions and in the Mayoral Administrative offices<sup>36</sup>**.
  - Add: All persons employed by the town, BOE or have a contract with the town and persons in the household shall not be an elected official of the town<sup>37</sup>.
  - Nor should anyone with family serving in upper echelon employment or elected capacity serve on any council (especially not the Legislative Council)<sup>38</sup>.
- **Legislative Council Agenda Issue<sup>39</sup>:** Agenda items for Legislative Council meetings should be posted a week ahead of time or automatically tabled to give the public and Council members to time to consider the issues. Enforcement of this should be strict.
- **Legislative Council Oversight of Departments<sup>40</sup>:** The Legislative Council should be charged with closely monitoring the work of each department with regular assessment.
- **Attendance Requirements<sup>41</sup>:** Legislative Council members should have attendance requirements.
- **Notice Prior to Legislative Action:**

It is Impossible to make knowledgeable decisions that affect the entire town without more time to adequately consider the request<sup>42</sup>.</li> <li>○ Motions are always last minute and promise dire consequences if the LC doesn't pass this bond issue or that immediately. ..one heck of a way to "run a railroad"<sup>43</sup>."</li> <li>● <b>Emergency Actions – Definition<sup>44</sup></b>: Delivery of a request later than 48 hours should only be allowed in an emergency. The meaning of emergency should be defined.</li> <li>● <b>Regular Financial Updates to Legislative Council<sup>45</sup></b>: A financial update should be presented at every Legislative Council meeting by the town Finance Director or the next in charge.</li> </ul>
<p>Legal Issues/Comment</p>	<p>Case law and statute address the issue of the eligibility of municipal employees to serve as elected officials which will need to be consulted if we want to pursue this issue.</p>

We strongly believe that that such a changed system would be in the long term interests and to the real benefit of all residents. The explanation is that we have to borrow or we will not have cash to pay our bills.”</li><li>○ Have the Council hire a Town Manager for an initial five years. The candidate must have a proven track record in managing a multimillion dollar business and must possess relevant academic credentials (a genuine MBA, perhaps). A referendum toward the end of his/her contractual term will determine whether or not we return to a Mayor-Council form of town government.<sup>65</sup></li><li>● <b>Eliminate Strong Mayor Form of Government<sup>66</sup>:</b> We need a professional person in charge of the "business" of Hamden. Currently, we have been operating as if we are a mom and pop business with very little to no professional expertise at the mayoral/administrative level. Could we change the Charter to allow for the possibility of having a Town or City Manager<sup>67</sup>?</li></ul>

## Chapter V

### Mayor-Council and Council Manager Form of Government

#### Chief Administrative Officer

- **Long Term Planning and Sustained Strategic Planning:** “A process/organizational structure that supports long-term initiatives. While I’m not suggesting that a Town Manager would be the only way to help ensure a sustained strategic planning and implementation process, there is a need for stable and secured leadership and organizational structure that can work beyond the political ebbs and flows to get big things done<sup>68</sup>.”
- **Fiduciary Responsibilities and Incentives.**
  - I would like to see the mayor, a town manager and most importantly, the Legislative Council be “fiduciarly” responsible. At the present time, it is my understanding that no one in the elected offices has any responsibility for making sure that we are fiscally responsible as a town. When I was Chair of the Hamden Mental Health Commission, we had fiduciary responsibility. It is a big deal, but it makes commissioners realize that they have to attend to finances in a responsible manner. You can be sure that I had personal insurance!! I believe the Board of Education has fiduciary responsibility. Could you please consider adding this to the new Charter<sup>69</sup>?
  - Whether a mayoral or city manager type government, there should be incentives for the person(s) in charge to be efficient and to hold down costs so that Hamden might regain its reputation as an attractive place to live. Incentives do not include getting re-elected<sup>70</sup>.
  - It seems evident that our current mayoral systems can be influenced by political considerations, not the common good of the town. Where is the transparency<sup>71</sup>?
- **Retain the Mayor/Council Form of Government.** There current government is the Mayor Council form as opposed to a strong Mayor form of government<sup>72</sup>.
  - We should not allow our frustration with our present situation to push us to make changes to our Charter that will alter the character of our town<sup>73</sup>; in other words, you shouldn’t change the Charter on the basis of opinion of the current occupant or politics<sup>74</sup>.
  - Accountability is rooted in the “direct...vote for our Mayor every two years<sup>75</sup>.” The chief executive must be answerable to the public<sup>76</sup>.
  - There is no evidence that Town Manager governments are more efficient<sup>77</sup>.

# INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

## Chapter V

### Mayor-Council and Council Manager Form of Government

### Chief Administrative Officer

- **Assessment of Legislative and Executive Functions.** If there is a problem with the form of government you need to assess the executive and legislative functions<sup>78</sup>.
- **Is the Legislative Council Capable of Managing and Overseeing the Town Manager?** Concerned about placing authority in the hands of the Legislative Council; in effect, as the employer of the Town Manager<sup>79</sup>.
- **How Do You Hold the Town Manager Accountable<sup>80</sup>?** Town Manager would be accountable to Legislative Council, which is not equipped to manage the town.
- **Fiscal Responsibility<sup>81</sup>.** If you go the Town Manager route you may consider throwing in a Board of Finance to supplant some of the budgetary authority of the Legislative Council.
- **Establish the Office of Chief Administrative Officer/Chief Operating Officer<sup>82</sup>.** As an alternate to Town Manager is a strong and independent Chief Administrative Officer/Chief Operating Officer:
  - appointed by Mayor, who remains chief executive officer, and approved by Council;
  - five year term governed by contract;
  - professional qualifications;
  - clear delineation of responsibilities;
  - department heads report on operational and administrative matters to CAO who reports to Mayor; and,
  - termination by Mayor effective upon approval of the Legislative Council.
- **Do Not Change the Charter<sup>83</sup>.** Hamden should not “revise the charter in favor of a town manager. Harry Reid and Mitch McConnell both change the rules of Congress because they do not like the results of the moment...We in Hamden should not follow that path. I am not happy with the mayor and his fiscal governing of this town. That said I do not think we should throw the baby with the bathwater do not change the charter.”
- **Finance Director: A Civil Service Position<sup>84</sup>.** The Finance Director ought to be a civil service position and not one where he/she serves at the pleasure of the Mayor from administration to administration. One of the reasons the town’s finances are the way they are today is due in part to the lack of continuity in that position, which in the past has been filled by some less than qualified individuals, especially at the most

## Chapter VII Boards and Commissions

- **Charter §7-1.E – Dual Appointments:** What is the status of regional board appointments<sup>85</sup>?
- **Charter §7-1.I – Restrictions on Civil Service and Ethics Appointment**<sup>86</sup>:
- **Charter §7-1: Qualifications for Boards and Commissions**<sup>87</sup>:
  - Commissions should be made up of people who have some experience in the area they are serving.
  - The Legislative Council should be responsible for overseeing that such nominated persons are appropriate for the job they are being asked to do.
- **Charter §7-1: Regularly Scheduled Meetings of Boards and Commissions**<sup>88</sup>:
  - Commissions should be required to meet regularly at least 10 months out of the year.
  - For some reason, the Police Commission did not meet for several months this year (while other commissions met regularly).
  - This severely limits the public's access to the commission and to raising issues of public concern.
- **Charter §7-1: Mandate Regular Meetings of Commissions**<sup>89</sup>.
- **Charter §7-1: Public Input**<sup>90</sup>. Ensure public input, oral and written, in all matters
- **Charter §7-1: Attendance and Regular Meeting Requirements**<sup>91</sup>. Boards and Commissions- should have attendance requirements and meetings should be held 10 months per year.
- **Charter §7-1**<sup>92</sup>: Term limits for Board and Commission Members.
- **Charter §7-1: Inclusivity**<sup>93</sup>. The Town and its officials should "...be demographically proportionate to its population, which is how inclusivity on the part of municipalities is generally defined....the Mayor's Office, the Legislative Council, the Board of Education and other town Commissions should represent, in its population make-up, our town's demographics--namely, gender, race, age, income status, neighborhood, and/or political affiliation." Charter only mentions political affiliation..."inclusivity equals representation of the actual demographics makeup of our town's population (i.e. proportional representation):"

## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

<b>Chapter IX Board of Education</b>	No issues at the present time.
<b>Legal Issues/Comment</b>	Please note that the austerity issues set forth below may or should include a discussion of ways and means to consider administrative consolidations of services, such as procurement, personnel and finance.
<b>Chapter X Budget</b>	<ul style="list-style-type: none"> <li><b>Capital Budget and Expenditures<sup>117</sup>:</b> Budget process should be reviewed including Charter §10-3.C “Proposed Capital Expenditures.</li> <li><b>Austerity Measures I<sup>118</sup>:</b> <b>Hamden is headed into very serious and difficult financial times.</b> For the next 15-20 years, Hamden will have to start paying back the money that has been borrowed and the pension payments that have been delayed. This will mean severe austerity measures will have to be evaluated and implemented. Some say it is inevitable that the State’s financial oversight body, MARB, will be coming in to require more responsible budgeting including a 3-5 yr. financial plan that shows a balanced budget. The difference between that scenario and the past years which supposedly showed passage of a balanced budget is that MARB will not tolerate budgets with padded revenues and understated expenses which have characterized recent years’ budgets.</li> <li><b>Austerity Measures II<sup>119</sup>:</b> The approach to taxes needs to be re-engineered. How about <u>first</u> setting a reasonable mill rate, <u>then</u> based on the grand list sources of income, including property to be taxed, determine the total town budget –that is, how much can be spent. All expenditures by the town would sum to this amount and no overages allowed. A reasonable mill rate should reflect our “competition” in other CT towns that seem to get things done efficiently- this could be based on a quick sampling from e.g. Milford, Cheshire, North Haven, etc. Allocate the total budget amount, and make all departments and potential expenditures justify their budgets and live with the allocation they are given. Focus on <u>value-added</u> activities and minimize/eliminate administrative and supervisory activities.</li> <li>To extent &amp; format possible I suggest that short (annual), mid, and long term priorities are presented in a specific format so these can be provided to Hamden's State Legislative delegation. This would allow tracking progress to alleviate chronic state under-funding of our public schools and municipality, and other challenges &amp; roadblocks<sup>120</sup>.</li> </ul>

## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

Legal Issues/Comment	I included several conceptual ideas that were advanced by proponents. The major enterprise will be a review of the capital budget process and a review of the budget process in general.

## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

<b>General Comments</b>	<ul style="list-style-type: none"> <li>• Re: violent crime, fear, residents struggling to pay property taxes, intimidation and destructive propaganda from the left wing radicals of Hamden, silence of Town government, ghost town (hundreds of homes for sale in Hamden)...Whether this Commission has the will or know how to address these issues in the middle of what I can only describe as Impending Civil War remains to be seen. I would like to offer my services<sup>121</sup>.</li> <li>• With all the complaints that have been voiced in Hamden regarding panhandling, is it possible to address this issue by writing in an ordinance that prohibits panhandling on public and private properties without the owner's permission? This would help alleviate the fear that shoppers and pedestrians have walking by these people. Hamden residents have been attacked and harassed by these panhandlers<sup>122</sup>.</li> <li>• <b>Housing Patterns.</b> "One of those big things needs to be to take a look at policies and regulations related to housing patterns and revise those that provide road blocks to developing more integrated neighborhoods. Our schools must become more integrated, and if we are to provide some degree of neighborhood schools, it stands to reason that our neighborhoods must become more integrated. Otherwise, our schools will have no other choice but to integrate our schools outside the neighborhood's attendance zone practice<sup>123</sup>."</li> </ul>
<b>Legal Issues/Comment</b>	<p>I was having trouble categorizing these comments. Perhaps these are issues for the Legislative Council since this can be accomplished by ordinance.</p>
<b>Quinnipiac Housing Issues</b>	<ul style="list-style-type: none"> <li>• <b>Regulation of Student Rentals in Residential Neighborhoods<sup>124</sup>:</b> Differential taxation for owners as may be true of shoreline properties.</li> <li>• <b>Permits for Quinnipiac Rental Homes<sup>125</sup>:</b> Cost too low, police regulations, required annual renewals, front lawn parking restrictions, neighborhood cap on student housing: (1) Regulate density of QU rental houses; (2) Charge higher fees and renewals to rental housing landlords; (3) Provide landlord name and contact info to neighbors; (4) Give more power to noise, blight and public nuisance ordinances; (5) Revoke permits from repeat offenders; and (6) Prohibit auto-renewal of rental permit when houses are sold.</li> </ul>

## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

<b>Quinnipiac Housing Issues</b>	<ul style="list-style-type: none"> <li>• <b>QU Student Housing</b><sup>126 127</sup> : Charter should contain a three strike policy which would revoke student housing permits after three “legitimate” complaints.</li> <li>• Increase the number of rental permits from \$300.00 to \$5,000.00 and renewal fee from \$150.00 to \$ 1,500.00<sup>128</sup>.</li> <li>• Concerns regarding QU students<sup>129</sup>: (1) Increasing number of homes that have cars from parked on lawns and on the streets; (2) Traffic law violations...by these students. Running stop signs and traffic lights; (3) Our quiet community is changing and more residents are moving out and more students moving in. Not to mention litter is on the rise; and (4) Noise is also a concern with loud music and with parties that seem to occur without regard to the working class people in the neighborhood.</li> <li>• Increase the Planning and Zoning department to so they are better equipped to deal with issues such as Paradise Nursery and Quinnipiac rental properties<sup>130</sup>.</li> </ul>
<b>Legal Issues/Comment</b>	<p>More of a zoning or ordinance issue than a Charter issue. You may consider a charter mandate; however, in the last analysis zoning is subject to Title 8 of the C.G.S.</p>

## INITIAL ISSUES RAISED BEFORE THE HAMDEN CHARTER REVISION COMMISSION

<b>Recall of Elected Officials</b>	<ul style="list-style-type: none"> <li>• <b>Recall of Mayor, BOE Members and LC Members<sup>131</sup></b>: Allow for recall of a mayor, BOE members and legislative council members. Presently, we have few options to allow for a recall of an elected official unless a crime has been committed. Dereliction of duty, misuse of power, failure to work or show up for work and other means of abuse of the public trust are not grounds for a recall election. We need to add this flexibility to our Charter.</li> <li>• Add recall by petition for cause in Section 3-10 Removal of elected and appointed officials<sup>132</sup>.</li> <li>• Any Mayor or Town Manager must be answerable to the public and that includes oversight and recall ability<sup>133</sup>.</li> </ul>
<b>Legal Issues/Comment</b>	<p><b>Simons v. Canty</b>: Recall is not available in the State of Connecticut. Here is no express grant of authority that permits local government recall. The only recall towns are those which have special act provisions.</p>

Merely listing inclusivity as a foundation doesn't do service to the purposeful, challenging, and necessary work this Commission has undertaken to ensure this document adequately expresses the intentions of the Town of Hamden. A preamble highlights the spirit of a Town, and sets forth the tone in which the Town's Charter has been written or revised. As such, a clear, convincing statement of Hamden's *Intent* to be inclusive must be included. More than a herald of our progressive values, this declaration must delineate the criteria by which we shall judge whether our value of inclusivity is being realized."

Last year we had 3 months of no internet in the public schools (prior to the Pandemic closing) and the Town government email server regularly spits back emails as undeliverable. This is unacceptable because it limits the public's ability to contact the members of their town government".

<sup>9</sup> Submitted by Diane Hoffman, Wilmot Road: 9/27/2020. Note: "Zoom and other technology that makes it possible for the public to participate in their local government meetings should be required to be used by the town even after the pandemic is over. <sup>10</sup> Submitted by Diane Hoffman, Wilmot Road: 9/27/2020. Manager form of government. The extreme level of debt this small town owes is unconscionable and is trackable directly to cronyism and mismanagement for the past many years. It's equally clear that the fact of a mayoral election every two years means that any candidate is hostage to the unions whose votes the candidate must have. Given that this is our setup currently, the only and best recourse is to change the form of town governance.
