

The Hamden Youth Network (HYN) is a collaborative partnership that engages and supports Hamden's child and adolescent population, and their parents/guardians through a combination of awareness, education, prevention, data collection, capacity building, and community connections. HYN is composed of the Hamden Public Schools Wellness Committee (as required by CT SDE), the Town of Hamden Youth Services Advisory Council (as required by DCF YSB), The Positive Choices Coalition (as required by DMHAS LPC) and members like you.

We look forward to working with you.
