

Due to weather conditions, Mayor Scott Jackson has established Town "Cooling Stations" and also wishes to remind residents that all public buildings, including libraries and fire stations are air-conditioned and open to the public during regular business hours.

All Fire Stations are available for those in need after-hours as well.

The cooling station is meant for temporary respite from the heat, especially for the elderly and those with respiratory issues.

Information on all Town buildings and hours can be found on the Town website at www.hamden.com or by calling 203-287-7100.

Please remember to call 911 in the case of any emergency.
