Red Cross Certified Babysitter Training

The Town of Hamden Youth Services Bureau will be offering a three-day Red Cross certified instructional babysitting class for youth ages 11 to 15. The training will be held from 2 pm to 4 pm on Monday July 23, Tuesday July 24 and Wednesday July 25, in the Friends Room at Miller Memorial Library.

This class will be taught by Hamden Youth Services' Outreach Counselor, Beth Studniarski (a certified American Red Cross Babysitting Instructor). The course will provide students with basic information required to responsibly care for children, including feeding and diapering as well as emergency techniques necessary to ensure a safe environment.

Fee for the three-day training will be \$20 for paid Hamden Youth Center members and \$40 for non-members. Because of limited capacity, all participants must register by June 29, 2007. Registration forms are available at the Hamden Youth Services Bureau, Keefe Community Center 11 Pine Street, Hamden, CT. For additional information, please call Beth Studniarski, Outreach Counselor at (203) 777-2610.
