### PROCESS

You will need the following before a marriage license can be issued to you:

- *You may now apply for the marriage license in the town of your residence OR the town of occurrence of the marriage as of 10/1/2003. However, you must get married in the town indicated on the Application, or your certificate is invalid.*
- A copy of the blank marriage application is available on this web-site under "FORMS & APPLICATIONS" or under "VITAL RECORDS". The blank application is also available in the Town Clerk's office.
- Both the future and groom must appear in the Town Clerk's office when applying, in order to take their oaths. It is not necessary for both parties to appear at the same time.
- The application must be provided to the Town Clerk's office in order to obtain a marriage license. You must also be present with current photo identification - i.e., a driver's license, if you are an U.S. citizen. If you are not a U.S. citizen, a passport or some other official government photo identification will be necessary.
- The fee for a marriage license is \$30.00, payable from the time of application. We do not accept credit cards or out-of-state checks as payment.
- The marriage license is only valid for 65 days from the date of application.
