Motor Vehicle Assessment Information

All Motor Vehicles on the 2013GL were valued using N.A.D.A. value books. Connecticut statute 12-71d mandate that the Assessor use 70% of the average retail value from the N.A.D.A. Guides when available.

Owners of passenger cars and trucks who wish to appeal their assessment may do so at the September 3, 2014 meeting of the [Board of Assessment Appeals](#) (BAA), no appointment or application is required. Appellants will be taken in the order they arrive.

For trailers and certain vehicles over 20 years of age, owners may submit information to the assessor for consideration. Information must be received by August 15, 2014 in order to be considered, owners may still appeal to the BAA directly. Information submitted by August 15, 2014 will be reviewed and a recommendation with a revised value if any will be made to the BAA. We will inform you of the recommendation and if you agree with the new value you will not be required to appear at the BAA meeting, if you disagree with the recommended value then you will need to appear and present your case to the Board.

Information to submit to the assessor:

1. **Trailers:** Copy of the original bill of sale or original registration (must show purchase price) and a photograph of the trailer.
2. **Antique or Special Interest Vehicles must be model year 1994 or older and** have not been modified. Submit application/affidavit for antique, rare or special interest motor vehicles. Antique Application must have 4 photos attached of the vehicles, driver side, passenger side, interior through open driver's door showing dash and one of the engine compartment.

All other vehicles may appeal directly to the Board of Assessment Appeals on September 3, 2014.
