

CAMP

It's fun and educational!!

2016 Summer Camp Schedule

Bricks 4 Kidz in conjunction with the Hamden Recreation Department is excited to offer you these specialty summer programs! We provide supervised lunch for students registered for the AM and PM sessions. Please pack a nut-free snack and lunch. Programs are held at the Hamden Middle School 2623 Dixwell Avenue Hamden

May the Brick be with You (Age 6+) Cost: \$140 Dates: August 1 - 5 Time: 9:00 AM – 12:00 PM
Let the force awaken your child's love for engineering. Using Lego® axles, gears, pulleys and technic pieces, build complex machines and structures based on the best designs from a galaxies far away. Projects include tie fighter, star fighter, speeder bike and more. We reinforce key science, math and engineering concepts as students tap into the powerful forces of their imagination and creativity. Each participant will take home a Star Wars® inspired Lego® mini model.

Junior Robotics + Learn to Code Session I (Age 6+) Cost: \$180 Dates: August 1-5 Time: 1:00 PM – 4: 00 PM
Ignite your kid's imagination and creativity as they build our proprietary Bricks 4 Kidz motorized Lego® models and learn to program their models to do just what they want the models to do! It's all the fun of brick building and the challenge of computer programming! **NEW** this year – we are incorporating **CODING** as part of our Junior Robotics program. Kids will learn to code their own games using some of the same tools as gaming industry pros.

Junior Robotics + Learn to Code Session II (Age 6+) Cost: \$180 Dates: August 8 – 12 Time: 9:00 AM – 12:00 PM
All the fun of building and computer programming and coding as in session I but with all different models and commands!

Wizards and Muggles (Age 6+) Cost: \$140 Dates: August 8 – 12 Time: 1:00 PM – 4:00 PM
Journey through the Wizarding World and build incredible motorized models like the Phoenix, the Brickwarts Express, giant spiders, your favorite wizard, his magical owl and more! Join us as we explore the amazing world of building with LEGO® bricks. All campers will take home a LEGO mini figure.

LEGO® MindStorms EV3 Robotics Workshops (Age 9+) Cost: \$210 Dates: August 8 – 12 Time: 1:00 PM – 4:00 PM
Experience the cutting edge of technology with Lego® Mindstorms/EV3 Robotics. Students will use the newest generation of motors, sensors and software by programming their commands directly into the intelligent brick. Students will design and create their own robot to complete specific missions. This is a great introduction for students interested in participating in the FIRST® Lego® League.

If you would like your child to participate in these program(s), please complete and return this form, along with a check made payable to **Bricks 4 Kidz – New Haven** by **June 30, 2016**. Hamden Recreation Dept, 2750 Dixwell Avenue, Hamden 06518. Phone # 287-2579. You may also visit us at www.bricks4kidz.com/348 or call Marilou Oh at 203-645-5471.
