

HAMDEN TECHNOLOGY COMMISSION

Revised Minutes of the meeting of

February 7, 2013

Attending: W. Folsom, S. Glenn, M. Healy, P. Mongillo, L. Salay, C. Sette, W. Spalter,

Absent: M. Ford

Call to Order – The meeting was called to order at 7:05 p.m.

Approval of minutes

Mr. Sette motioned to approve the minutes of the meeting of November 1, 2012 with the following corrections. Mr. Slay was present for the meeting but he was noted as being absent but was in fact present. Under Department Activity the word “thee” should be *There*, the motion is seconded by Mr. Spalter. *The motion carried unanimously.*

At this time Mr. Folsom asked the guest present to introduce themselves. Mr. Pat Perrotti is here from the University of New Haven as part of a graduate class he is taking. He has brought a friend with him Stephanie for support. Chairman Folsom went on to explain the Commissions Mission and what input they have and have not had on the town. He explained the various past projects that have been done using graduate students from Quinnipiac University and that they would like to continue this work with them. Chairman Folsom is going to try and get an appointment with Kurt Lang regarding the letter and brochure and other things the Commission would like the Mayor to be aware of. Mr. Sette mentioned partnering with the Clean and Green Commission to do an electronic day collection in the town. It was noted that the town web site shows the Technology Commission meets on the first Tuesday and it is the first Thursday. Mr. Mongillo is going to contact Julie Smith regarding this and a few other items.

Old Business

- a. Response to letter and brochure given to Mayor – There has been no response yet and the clerk has asked Mr. Lang if he saw the letter and has also emailed him twice to follow up as requested by Mr. Lang.

Department Activity

Update from Dave Richards on the status of IT –There is no information from Mr. Richards, Chairman Folsom has tried to set up a meeting with Mr. Richards but the times just didn’t make it possible. Chairman Folsom will continue trying.

New Business

- a. Quinnipiac University grad student project – Unfortunately this project didn’t work out for the Spring semester but contact with Prof. Bruce White and Prof. Richard McCarthy will happen for the fall semester 2013. The project could possibly be the GIS system working with Public Works for linkage with the town while the employees are out in the field. Also, look at other apps in other towns to see how they utilize their systems. The technology is in place but not in use.

Adjournment

At 7:54 p.m. Mr. Sette motioned to adjourn, seconded by Mr. Mongillo. *The motion carried unanimously.*

The next regular meeting will be Thursday, March 7, 2012 at 7:00 p.m. in the 3rd Floor Conference Room, Government Center.

Recorded by,

Catherine E. Gempka
Commission Clerk
