

HAMDEN TECHNOLOGY COMMISSION

Minutes of the meeting of
October 2, 2014

Attending: Kenneth Devins, Bill Folsom, Michael Healy, Michael Lavorgna, Paul Mongillo

Absent: Chris Sette, Monique Ford

Guest: Colin Yankee - resident

CALL TO ORDER

Mr. Folsom called the meeting to order at 7:05 p.m.

INTRODUCTION OF NEW MEMBER

Mr. Folsom welcomed Mr. Kenneth Devins to the Commission. Mr. Devins gave a brief summary of his background. He is retired from Pratt and Whitney for a year and wanted to get involved in doing something for the Town. The members of the Commission introduced themselves and also provided a brief background.

Mr. Yankee was invited to provide a summary and he informed the Commission that he started out as a tool maker and now works for Pitney Bows dealing mostly with mass mailing programs. He wanted to see what the Commission was about thus his presence at the meeting.

APPROVAL OF MINUTES OF THE REGULAR MEETING OF JUNE 5, 2014

Mr. Healy motioned to approve the minutes of June 5, 2014, seconded by Mr. Lavorgna. *The motion carried unanimously.*

OLD BUSINESS

Nothing at this time.

DEPARTMENT ACTIVITY

Mr. Folsom advised the Commission that he was invited to be part of the interview process for the CIO (Chief Information Officer) a new position for the town. He stated that there were four candidates and at this time he thought a selection had been made. He called Ken Kelley, Personnel Director to find out if someone had been chosen but Mr. Kelley hasn't gotten back to him yet. He stated that two of the candidates are current Town employees, Mr. Carrozza and Mr. DeNatale. Mr. DeNatale was the only candidate who provided a long term plan and also noted he would like to see the entire town combined on one IT program. One candidate was female and the fourth a male. The Commission is looking forward to having someone to manage and move the town forward in a positive direction. The web site was briefly discussed and how it needs to be more user friendly. It was noted that the Facebook site for the town is used more than the web site. A Town of Hamden Information Officer has been hired but what her exact duties are we don't know yet.

NEW BUSINESS

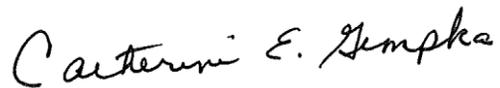

A brief discussion ensued regarding the Mission Statement. Mr. Healy read the current statement presently on the Town web site. Mr. Mongillo suggested it be revisited and possibly updated.

ADJOURNMENT

At 8:01 p.m. Mr. Devins motioned to adjourn, seconded by Mr. Mongillo. *The motion carried unanimously.*

The next regular meeting will be Thursday, November 6, 2014 at 7:00 p.m. in the 3rd Floor Conference Room, Hamden Government Center.
