

Technology Commission

Mission Statement

The mission of the Hamden Information Technology Commission is to make the Town of Hamden's information technology infrastructure more accessible and responsive to the needs of its citizens while making investments in government, education, health care and other services more efficient and cost effective.

If you are interested in attending a meeting, or have a question about the commission, please email us at info@hamden.com

The commission meets on the first Thursday of the month from 7:00 p.m. to 8:00 p.m. second floor conference room of the Hamden Government Center located at 2750 Dixwell Avenue, Hamden, CT 06518.
