

TOWN OF HAMDEN

ENERGY USE & CLIMATE CHANGE COMMISSION MEETING NOVEMBER 18, 2013 7:00 PM

Commissioners in attendance: Frank Gasparro, Chairman
Frederick Schramm, Vice Chairman
David Bruhn
Martin Mador
Amy Sowitcky

Others in attendance: Chris Marchand
Peggy Craft, Commission Clerk

CALL TO ORDER

Chairman Gasparro called the meeting to order at 6:45 PM.

The Commissioners attended a public presentation by C-TECSOLAR, a Clean Technology and Energy Company.

This presentation was in regard to Solarize Hamden. This is a program being offered to Hamden residents to save money by taking advantage of a group buying opportunity from the Town of Hamden in partnership with the State of Connecticut.

The benefits of this program include significant solar discounts that increase in size as more people sign up, lower monthly utility bills and flexible financing options.

To qualify for this program, residents must sign a contract by January 28, 2014.

After the presentation, C-TECSOLAR personnel held a lengthy question and answer period for those in attendance.

ADJOURNMENT

Chairman Gasparro adjourned the meeting at 8:30 PM.
