Attention: Hamden Traffic Commission

Dear Sir or Madam:

We have a lot of children who live on and around Thomas Street in Hamden. That said, I am very concerned about their safety, as well as mine. Often, people drive recklessly (at unbelievable speeds) on Thomas Street and rarely stop at the stop signs when turning onto Thomas off of Victoria Court and Westerfield Road. I am amazed at the carelessness of these drivers.

Please seriously consider placing speed bumps on Thomas Street, similar to those on Edward Street in New Haven.

I appreciate your attention in this matter.

Regards,

Velvet Y. Claud
