Town of Hamden Asks for Resident Input on Maselli Farm Property

HAMDEN- The Town of Hamden is looking for resident input on how to best use the open space formerly known as the Maselli Farm Property, located at 390 Gilbert Avenue Rear. The farm was established in 1890 by the Benham family and sold to the Maselli family who continued its growth and development as a local agricultural resource until 2006.

The Town purchased the property in 2008 in order to prevent overdevelopment of the area and was recently awarded a grant from the CT Department of Agriculture to perform a feasibility study to determine the best use of the property. Resident input and feedback on potential educational, agricultural, and passive recreational activities for the property are an essential part of the study. Residents are encouraged to share their opinion and take the survey about how they would like to see the property used by going to:
