#### Hamden to Work with Vision Government Solutions, Inc to Complete Valuation Update

**HAMDEN-** The Town of Hamden has contracted with Vision Government Solutions, Inc. of Northborough, MA to develop and implement the State mandated valuation update. The date of this reassessment will be October 1, 2015 and valuations will reflect the real estate market of 2015.

The project will commence this summer with data collection of those properties that were sold since October 1, 2013. Additionally, the data collection of all properties that have outstanding building permits up to October 1, 2015 will also be done later in the year. All Vision employees will carry photo identification, a letter of introduction from the Assessor's Office and be registered with the Assessor's Office and the Town's Police Department.

Once the valuation work is completed in the fall 2015, residents will be notified of the new proposed assessments. Individuals wishing to discuss their assessments with Vision Government Solutions will be able to schedule an informal review with Vision personnel in Hamden. Once

the review process is complete, the new assessments will appear on the tax bills issued during the summer of 2016.
