CANDLEMAKING WORKSHOP

Tuesday, December 29, 2015

10am – 1pm

Brooksvale Park

524 Brooksvale Avenue Hamden CT 06518

Learn how to make traditional hand-dipped taper candles at this fun and educational workshop presented by Hamden's Department of Arts, Recreation & Culture. Drop in between the hours of 10am--1:00pm and have some fun while learning about the history of candle making. Candles are \$2.00 each in a variety of colors and scents.

The workshop takes place in the Veterans' Memorial Hall--follow the driveway up the hill past the big red barn. Pre-Registration is not required but is appreciated so we know how much wax to prepare. Call the park at 203-287-2669 or email brooksvale@hamden.com leaving your name, phone and number in your party. If bad weather, call the park to see if program is still on.
