### Join Us for Opening Day of Hamden's Farmers Market

Friday, June 28<sup>th</sup>, 11am - 3pm

**Hamden-** Mayor Scott D. Jackson is pleased to announce the opening day of the Town's of Hamden Farmers Market. As always, the Town of Hamden Farmers Market is centrally located at the Miller Library lower parking lot (2901 Dixwell Avenue) and is easily accessible to all. Parking is free and plentiful.

This year's Farmers Market will be Hamden's largest and most diverse to date! Over 25 local vendors have joined the market, featuring products such as locally grown produce, prepared foods and baked goods, handcrafted accessories, and homemade necessities. In addition, the market is now a great destination for the entire family! Hamden Youth Services and a local face painting artist will once again be present to provide arts and craft activities for children, and Experience Corps will be there with free children's books. The Market is also located directly adjacent to Hamden's brand new all-abilities playground, "Josh's Jungle", just inside Town Center Park. The playground is getting its finishing touches and will be open in early July. All residents are encouraged to stop by, shop, and support this unique and exciting market!

"The Hamden Farmers Market provides our residents with access to fresh farm products and also serves as a great opportunity to support local businesses. This outdoor market is one Hamden's finest summer
