Mayor Jackson Reminds Residents Of Eligibility and Requalification Process for Rear Yard Trash and Recycling Pickup

Hamden—Mayor Scott D. Jackson is pleased to continue the eligibility and re-qualification process for those residents who are eligible to participate in the Town's Rear Yard Trash and Recycling Pickup Program.

Rear Yard Pickup is defined as trash and recycling receptacles placed away from the curb for Town residences.

Rear Yard Eligibility is defined as residences where all occupants of the Dwelling Unit are disabled. Disabled means that the individual/s are unable to move the recycling bin or trash container to the curb for collection due to a present and continuing physical disability or limitation.

The Rear Yard Pickup Program has been in existence since 2005 and is welcomed by those residents for whom assistance is required and the Town is pleased to be able to continue to provide this service. Over the last few weeks, residents who are currently on the Rear Yard list have received correspondence regarding re-qualification requirements. If they have not already, residents are asked to forward the requested documentation to the Town Attorney's Office as quickly as possible to avoid interruption in service.
