**TOWN TO DELIVER RECYCLING AND TRASH CARTS TO HAMDEN RESIDENTS
BEGINNING DECEMBER 9th**

Hamden – Mayor Scott D. Jackson is pleased to announce that delivery of carts for automated recycling and trash collection to residents of single-family and multi-family homes (up to 6 units) will begin December 9th and will continue through January 19th. January 20th and thereafter, only carts issued by the Town of Hamden will be picked up. Residents shall begin use of the carts issued by the Town of Hamden during the week of January 20, 2014 on their regularly scheduled pickup day. Trash and recycling schedule will remain the same unless otherwise notified by the Town. Detailed instructions for use will be delivered along with the carts. Current trash barrels and 18-gallon recycling bins will no longer be necessary or accepted curbside.

Residents may keep old recycling bins and trash cans for other uses in their home, bring to the Hamden Transfer Station for reuse/recycling or may put them out during the April and October bulk trash pickup.

“By recycling more and transitioning to automated and semi-automated pick-up, we reduce our overall trash costs and can invest those savings in other areas of need,” said Mayor Jackson.

If you have any questions please contact Pamela Roach at proach@hamden.com or (203) 287-7021. Look for more updates on Hamden's new automated trash and recycling program on Hamden's website:
