#### **TOWN TO DELIVER RECYCLING AND TRASH CARTS TO HAMDEN RESIDENTS BEGINNING DECEMBER 9<sup>th</sup> (UPDATED INFORMATION)**

Hamden - Mayor Scott D. Jackson is pleased to announce that delivery of carts for automated recycling and trash collection to residents of single-family and multi-family homes (up to 6 units) will begin December 9th and continue through early January.

**Residents shall begin use of the automated RECYCLING carts the week of January 13, 2014 on their regularly scheduled bi-weekly pickup day. Residents should continue to use their regular trash receptacles until Automated TRASH cart pickup commences the week of February 3rd.** The trash and recycling schedule (including all approved rear yard pickup locations) will remain the same unless otherwise notified by the Town. Detailed instructions for use will be delivered along with the carts. Current trash receptacles and 18-gallon recycling bins will no longer be necessary or accepted curbside.

Residents may keep old recycling bins and trash receptacles for other uses in their home, bring them to the Hamden Transfer Station or put them out during the April and/or October bulk trash pickup.

“By recycling more and transitioning to automated pick-up, we reduce our overall trash costs and can invest those savings in other areas of need,” said Mayor Jackson.

If you have any questions please contact Pamela Roach at [proach@hamden.com](mailto:proach@hamden.com) or (203) 287-7021. Look for more updates on Hamden's new automated trash and recycling program on Hamden's website: [www.hamden.com](http://www.hamden.com).
