HAMDEN FIRE DEPARTMENT ENCOURAGES RESIDENTS TO **“ADOPT A HYDRANT”**

HAMDEN – The Hamden Fire Department encourages residents to “Adopt a fire hydrant”. When fire hydrants are covered by plowed snow, our Firefighters do their best to clear them as quickly as possible. With over 1000 fire hydrants in the Town of Hamden and an annual call volume of over 10,000 calls, the task of clearing fire hydrants is sometimes extended and of course time consuming. I ask that residents, who are physically able, assist your Firefighters in clearing fire hydrants close to your home or business.

Thank you and I wish you a safe and happy New Year,

David A Berardesca
Fire Chief
Town of Hamden
