Mayor Jackson Declares Local State of Emergency

Hamden - Mayor Scott Jackson has declared a state of emergency for Hamden in order to open every tool in the Town's arsenal to address the effects of this storm.

This state of emergency is in effect until further notice.

In addition, a partial emergency operations center (EOC) has been activated at Central Dispatch, which can be contacted at 203-230-4000.

As always, please contact 911 in any case of emergency.

More details to follow on the Town's storm response, plans for warming stations and UI power updates.
