HAMDEN TO HELP RESIDENTS WITH IRENE RESPONSE WITH SPECIAL BRUSH & TREE LIMB CLEAN-UP

Hamden - Mayor Scott D. Jackson and Public Works Director Craig Cesare announced today that the Public Works Department will be adding a special brush and tree limb pick-up of the debris that fell during Hurricane Irene, in addition to the ongoing efforts to clear hundreds of trees that have fallen on Town property. Residents are asked to put the brush and limbs at the curb and pick-up of the piles will start on a town-wide schedule, beginning next **Tuesday, September 6th**.

Normally the Town only takes small amounts of brush during leaf season, but due to the extraordinary weather event, the Town is taking the extra steps to assist. **Please be sure to have all of the tree limbs and brush out to the curb by this day in neat piles as there will be only one opportunity to get this added service.**

"The Town is in the business of helping people and this is a way Hamden can help our homeowners with the results of this challenging weather," said Mayor Jackson.

If you have any questions regarding this pick-up schedule, please contact Julie Smith, Deputy Chief Administrative Officer, at 203-287-7103.
