New Business

Commissioners debated their role in the upcoming Earth Day Event. Mr Morin would like to see a more active clean-up activity and more frequent events. Ms Matin mentioned the Commission email for correspondence and communion to identify and plan clean-up activities. Ms Panayotakis talked a bit about reaching the public and Ms Matin talked about the social media accounts for Clean & Green. Previous posts had achieved one thousand or more views. Ms Matin shared a Google form she created for people to fill out and get them interested in clean-ups. Ms Matin brought up local colleges and students while Ms Provenzano shared several ideas in the chat(ie garden club, rotary club, etc.) Mr Morin would like to know specifics about how to plan clean-ups and what public works has to do with it. Ms Panayotakis brought up the Green

part of Clean & Green and would like to see an educational component. Mr Morin stated that he has the hardware and materials to work cleanups and that items may need to be replaced in the near future.

Adjournment

Ms Martin motioned to adjourn, Mr Morin seconded. Meeting adjourned at 6:53pm.
