Old Business

1. Hamden Cemeteries

Mr. Griego reported that Public Works did send out workers to gather all of the leaves after the cemetery clean up. Mr. Griego wrote a letter of thanks to the Mayor and those who came from Public Works to show appreciation for their including the cemetery pick up in their clean up of the town.

2. Local Register Properties

Mr. Geary and Mr. Minkema followed up with some homeowners regarding their homes being added to the register. There seems to be clear interest from those interviewed including the two members from the public who attended the Historic Properties meeting in March. There is a question of one of the homes being accepted as it has been moved fairly recently, which is against the guidelines. Mr. Levine is in contact with town managers regarding obtaining the proper signatures to move forward with this project. Mr. Levine would like everything to be completed as soon as possible so that they can get on the agenda for the Legislative Council.

3. Ives House

There is no update on the Ives House at this time.

4. Dickerman House

Mr. Minkema reported that the exterior repairs have been completed, and the front door has been completed. The repairs are in the last phase. Mr. Minkema stated that they are moving forward with a reopening plan.
