

# Mad Science Summer 2020 Programs

## Sponsored by Hamden Recreation Department

Phone: (203) 287-2579

[www.hamden.com](http://www.hamden.com)

### Fizzy Sticky Boom Lab

Entering Grades 1-6  
June 22-26

Get ready to dig your hands into **MAD** giant experiments! This camp will be jam packed with massive, fizzling eruptions and explosions! Testing everything from dry ice to walking on Oobleck, getting messy with hydro dipping and ginormous stretchy putty, we will prove science is fun! Campers will receive a special Mad Science Lab coat, goggles, and daily take homes to help extend learning at home!

### MSI: Spy Lab

Entering Grades 1-6  
August 3-7

Welcome, future **Mad Science Investigators**! Your mission, if you wish to accept it, is to successfully escape our camp! You will be given spy tools and evidence to gather clues such as prints, bones, and fake blood to gain knowledge in forensic science! Once the mission is complete, campers will receive a special Mad Science Lab coat, goggles, and daily take homes to help extend learning at home!

***Participants should bring water and a peanut-free snack each day***

Location: TBD

Register: Hamden Recreation Dept., 2750 Dixwell Avenue  
Hamden Government Center, Hamden, CT 06518
