TOWN OF HAMDEN SUBDIVISION and RESUBDIVISION APPLICATION

PLEASE READ

Instructions

Below please find a list of the materials to be submitted to the Planning Office. It is your responsibility to provide all of this information. Please consult the Zoning and Subdivision Regulations and Zoning Map. While Town staff will be happy to answer your questions, it is not the function of the staff to either prepare the information or assure its accuracy.

DEADLINE FOR APPLICATIONS:

Completed applications must be submitted **by 3:00 pm on the 15th of the month** to the Planning Office, 3rd Floor, Hamden Government Center, 2750 Dixwell Avenue, Hamden, CT 06518 in order to be put on the agenda for the meeting **two months later**. The regular meetings of the Planning and Zoning Commission are held on the second and fourth Tuesday of each month.

REQUIREMENTS:

1. **FEE** \$275 plus \$130 per lot or \$725 minimum (subject to change). Cash or check payable to the Town of Hamden.
2. The application for subdivision/resubdivision approval shall be submitted to the Planning Office for review by the Planning Commission. Pursuant to the Hamden Subdivision Regulations, a complete application consists of one (1) original, signed and sealed, and (9) sets of:
 - a. Subdivision or Resubdivision maps
 - b. Topographic maps and accompanying data
 - c. Erosion and Sediment Control maps and accompanying data
 - d. Public Improvements and Utilities Maps and accompanying data
 - e. Any other documentation required by the Planning Commission
 - f. Location map identifying specific site and closest major streets

3. A copy of the application form and any related documentation, as well as any plans prepared by a licensed engineer, architect, or surveyor should also be submitted in PDF File Format on a CD or USB flash drive
4. Approval from the Inland Wetland Agency (if required) shall be submitted at the time of application.
5. **All maps must be folded** not to exceed the dimensions of 11½ x 9 ½". Fold maps so that the title block is face up.
6. **Regional Water Authority (RWA)** – Please complete the attached RWA Notification Form and send by certified mail to the address below. This notice shall be mailed within seven (7) days of the date of the application. Documentation of mailing shall be provided to the Hamden Planning Office.

Environmental Analysts, Environmental Planning Department
Regional Water Authority
90 Sargent Drive
New Haven, CT 06511

7. Any changes of use, installation or expansion on property with a **septic system and/or well water require approval of the Quinnipiac Valley Health District (QVHD.)** Receipt of approval must be submitted along with this application. QVHD can be reached at:

1151 Hartford Turnpike
North Haven, CT 06473
Phone 248-4528
Fax 248-6671
8. All applicants for any project located within a public water supply aquifer or watershed area are now required by Public Act No. 06-53 of the CT General Statutes to notify The Connecticut Commissioner of Public Health of the proposed project within seven days of filing. The instructions are on the last page of the application package. Submit a property description with as-built drawings, and certify that all monuments and pins have been set as approved.
9. Any revision to maps or additional information required beyond the original submission must be received in the Planning and Zoning Office at least ten (10) days prior to the public hearing or Commission meeting.
10. **For Resubdivision applications only**, provide a **list of all abutters** and **stamped** (not metered) **envelopes** addressed to all property owners (not tenants) on abutters list from Assessor's Office, including one addressed to yourself. Address the envelopes to the property owner's mailing address rather than to the address of the property that abuts yours. The return address should read:

Planning and Zoning Commission
Hamden Government Center
2750 Dixwell Avenue
Hamden, CT 06518

11. **For Resubdivision applications only, Install Sign(s) Informing the Public of Public Hearing** – This application requires a public hearing. Therefore the applicant must place a sign or signs on the affected property, clearly visible to passers-by, giving notice of the proposed public hearing. Where the property is a corner lot, a sign shall be placed on both frontages of the property.

The sign(s) is to be placed at or near the street line or traveled way and shall be clearly visible to the general public. Weather permitting, the sign should be placed on a pole at a height between four and six feet. Alternatively, the sign may be placed on a fence, tree or structure. The sign (s), which is provided by the Planning Department, shall be installed by the applicant no less than 10 days before the hearing. The sign(s) should remain in place until after the Public Hearing has been completed.

Sign(s) are subject to a security deposit in an amount set by the Legislative Council.

An affidavit shall be presented at the public hearing by the applicant or his/her agent certifying that this sign was installed and maintained in accordance with the provisions of this section. A photograph of each sign, showing it placed on the site should also be provided.

Failure to post and/or maintain said sign(s) shall be cause for the Commission to deem an application as incomplete.

The sign(s) should be returned after the Public Hearing has been completed.

12. Hamden Subdivision Agreement – two completed originals after Commission approval
13. Pursuant to the Hamden Subdivision Regulations, two (2) copies of a bond estimate form for a subdivision or resubdivision shall be submitted to the Planning Office after Commission approval.

RIGHT OF ENTRY: The undersigned owner and/or authorized Agent grants permission to Planning and Zoning Commission Members, Zoning Enforcement Officers, Town Planner or their authorized representatives to enter and re-enter property herein referred to, for purposes of inspecting said property prior to Commission action and during construction to see that all conditions stipulated as part of any approval are being met.

It is further agreed that in the event that a bond is forfeited as a result of failure to complete all required improvements, the Town of Hamden and/or duly authorized persons will be permitted right of entry to complete unfinished work, regardless of change in ownership. Such rights to be included as part of deed and to remain in effect until all required work has been completed and bond released by appropriate Commission.

Applicant must make certain that application meets the Zoning requirements of the zone district in which the subdivision or resubdivision is located. If approved, construction must proceed in accordance with approved plans. Any changes proposed by an applicant shall be submitted in advance to the Planning and Zoning Office for review and prior approval by the staff or by the Commission as required. Any changes made prior to such review and

approval shall constitute a violation of *Section 846 of the Zoning Regulations*. Application must be accompanied by a Subdivision or Resubdivision plan and accompanying data as described in Section IV of the SUBDIVISION REGULATIONS.

SUBDIVISION AGREEMENT – THE TOWN OF HAMDEN, CONNECTICUT

(to be completed after Commission approval)

The undersigned subdivider, developer, applicant or subsequent subdivider, developer, applicant, hereby submits a subdivision plan for a subdivision known as _____, owned by _____ and developed by _____ dated _____ and revised to _____ scale one (1) inch equals _____ feet, and certified by _____ Registered Engineer No. _____ and/or by _____ Land Surveyor No. _____ located in the Town of Hamden for approval by the Town Planning and Zoning Commission, and such other officials, agencies or bodies as may, by law, be required to approve.

In full consideration for such approval and the privileges accruing thereto, the undersigned subdivider, developer, applicant or subsequent subdivider, developer, applicant hereby agrees to comply with all the requirements, stipulations and conditions imposed by the Town Planning and Zoning Commission, including but not limited to the following:

1. To submit a bond as required by and permitted by the Town Planning and Zoning Commission in accordance with the Hamden Subdivision Regulations, in an amount sufficient to cover the cost of the required subdivision improvements; to submit an estimate, prepared by a registered engineer, which estimate shall be subject to the approval of the Town Engineer and Town Planner; the preferred bond for completion submitted in compliance with this requirement shall be a certified check payable to the Town of Hamden. Special waiver may be requested for submission of a bond on another form;
2. In the event the undersigned conveys subdivision development rights lots, prior to completion of improvements required by the Planning and Zoning Commission, it shall become the responsibility of the undersigned to submit and original Subdivision Agreement signed by the subsequent party at conveyance along with a bond release request, to the Office of Planning and Zoning, to ascertain that subsequent party assumes responsibility for completion of improvements required by the Planning and Zoning Commission, and agrees to replace the bond, or portion of the bond, posted by the original party.
3. To submit complete profiles of each proposed street, showing existing ground surface on the center line and gutter lines and the proposed center line and gutter line grades; elevation of all profiles shall be based on town data; to submit plans and profiles of all storm and sanitary sewers; all plans and profiles shall be in accordance with all specification of the Town Engineer, if any, and the format shall be in accordance with the requirements and/or specification of the Town Engineer, if any;

To construct all roads, sidewalks, other frontage improvements, storm sewers, sanitary sewers, as required and approved, and other improvements, both within the proposed right-of-way and without same, as required or approved by the Town Planning and

Zoning Commission; the approval of filing of record subdivision plan shall not be deemed to constitute or to be evidence of an acceptance by the public or by the Town of any streets, recreation areas or other dedicated land; such acceptance shall be by formal resolution of the Hamden Legislative Council in accordance with the procedures provided by law until such acceptance, the undersigned subdivider, developer, applicant or subsequent subdivider, developer, applicant hereby agrees to assume full and complete responsibility for the maintenance of all streets, storm sewers, sanitary sewers, recreation areas, and proposed dedicated lands and for the payment of all taxes on same until the date of acceptance by the Legislative Council. To maintain the health, safety and welfare of the community, the subdivider, developer, applicant or subsequent subdivider, developer, applicant shall also arrange for trash and snow removal until the street is accepted and Town services commence;

4. To erect and maintain on any and every corner at which a proposed subdivision street intersects a street, public or private, not built as part of this subdivision, a secure sign, of a size and color and with letters of a size approved by the Town Planner, reading as follows:

"THIS IS NOT A PUBLIC ROAD"

(developer name and address)

To keep all streets closed to general use until consent is given by the Hamden Legislative Council to open same; which consent is not to be construed as an acceptance of any street as a public highway; prior to such consent, however, the subdivider, developer, applicant or subsequent subdivider, developer, applicant, may utilize said streets to the extent that may be necessary for the construction and sale of his properties;

5. To notify, in writing, any person who buys or contract to buy any lot within this subdivision, prior to acceptance of the street abutting said lot, that said lot does not abut an accepted street, and that the undersigned subdivider, developer, applicant, or subsequent subdivider, developer, applicant, shall assume all responsibility for same in accordance with paragraph 3 hereof, and shall file a copy of said notification with the Town Planner within ten (10) days of conveyance to avoid a violation of said subdivision agreement. Said violation would be recorded in the Hamden Land Records. A notification form is attached hereto: "Notice of Developer's Responsibilities" forms available in Planning and Zoning Office. Nothing in this paragraph shall be deemed to permit the sale of or building upon any lot in contravention of the Hamden Subdivision Regulations; such violation will be recorded in the Hamden Land Records;
6. Furthermore, no zoning permit will be issued prior to the Town Planner submitting a signed copy of the notice of developer's responsibility for the right of way maintenance demonstrating that it has been recorded in the Hamden Land Records (notification form attached hereto).

7. To construct all roads and storm and sanitary sewers under the supervision of the Town Engineer and to notify the Town Engineer when work is to commence. Any work completed without such inspection or approval by the Town Engineer shall be deemed improper and rejected. No sanitary sewer work shall be performed unless approved by the Water Pollution Control Authority;

To construct all roads and storm sewers in accordance with existing town specifications and Connecticut State Highway specifications, if applicable, and the latest additions and amendments thereof and thereto to construct all sidewalks, curbs and aprons in accordance with Rules, Regulations and Specifications for Sidewalk and Curb Apron Construction, as adopted by the Hamden Legislative Council and under the supervision of the Sidewalk Inspector of the Engineering Department; to construct all sanitary sewers in accordance with specifications adopted by the Water Pollution Control Authority, Town Engineer; all subcontractors retained by the subdivider, developer, applicant or subsequent subdivider, developer, applicant, must be approved by Town Engineer;

8. To guarantee and maintain the stability of all work and materials within any proposed roadway, planting strip, or sidewalk area for a period of twelve months from the date of the completion of the installation of same. Any defects, shrinkage, or other faults which may appear within twelve months from the completion of the installation of said proposed roadway, planting strip, or sidewalk area arising in the opinion of the Town Engineer from materials or workmanship not in accordance with the Town of Hamden regulations and specifications for construction and acceptance of interior roads in subdivisions or any damage to said proposed roadways or sidewalk areas by frost appearing within the like period, shall upon the directions in writing of the Town Engineer, and within such reasonable time as shall be specified therein, be amended and made good by the subdivider, developer, applicant or subsequent subdivider, developer, applicant, at his own cost, and in case of default the Town of Hamden may employ and pay other persons, including employees of said Town of Hamden, to amend and make good such defects, shrinkage, or other defaults and damage, and all expenses consequent thereon or incidental thereto shall be borne by the subdivider, developer, applicant or subsequent subdivider, developer, applicant, and shall be recoverable from him by the Town of Hamden, or may be deducted by said Town of Hamden from any monies which the subdivider, developer, applicant or subsequent subdivider, developer, applicant, may have deposited with said Town as security for completion of improvements, the Town of Hamden may utilize any bond filed by the subdivider, developer, applicant or subsequent subdivider, developer, applicant, to effect the making good of such defects, shrinkage, or other defaults or damage, which bond shall specifically provide for same. Should any defective work have been done or material supplied by any subcontractors employed within this subdivision, the subdivider, developer, applicant or subsequent subdivider, developer, applicant, shall be liable to make good in the same manner as if such work or materials had been done or supplied by the subdivider, developer, applicant or subsequent subdivider, developer, applicant.

However, the provisions of this paragraph shall not be construed as restricting the liability of the subdivider, developer, applicant or subsequent subdivider, developer, applicant, for breach of contract with any person, firm, corporation, municipality, or other legal entity by reason of nonconformance with the Town of Hamden regulations and specifications for construction and acceptance of interior roads in subdivision or defects or faulty workmanship;

9. To supply and plant shade trees if required by the Town Planning and Zoning Commission, of a type approved by the Town Planning and Zoning Commission, and to locate same in such places within the right-of-way and at such intervals as the Town Planning and Zoning Commission may require;
10. To permit the Town of Hamden to erect street signs of a quality and design which it deems appropriate for which the undersigned agrees to pay the full cost of materials and labor for both fabrication and installation;
11. To offer to dedicate to the Town of Hamden, after the completion of said street and improvements, such streets as are shown on said plat and such other spaces as the undersigned proposes for public use and to furnish such deeds as required by the Town Planning and Zoning Commission and the Town Attorney; such offer does not bind said town to accept said streets and spaces, nor is any requirement or approval of said streets or spaces by the Town Planning and Zoning Commission, sufficient to constitute acceptance of same;
12. To furnish and set reinforced concrete monuments as approved at all street intersections at all angles and curves and other critical points in the street lines, the tops of which shall be set to establish grades, which monuments will be set in after all other street developments have been completed and in conjunction with the laying out of the sidewalk, if any, the accuracy of location of which shall be certified by the land surveyor making the record subdivision plat;
13. To submit a record subdivision plot on such material, of such a size and scale as the Hamden Town Planning and Zoning Commission may require, showing among other things:
 - a. length, bearing or direction of all straight lines,
 - b. deflection angles, radii, arcs and central angles of all curves,
 - c. building lines,
 - d. zoning easements or rights-of-way,
 - e. location of all monuments,
 - f. the basis of bearings referenced to the horizontal control or other monuments,
 - g. the location of, and detailed plans for, all drainage facilities, water courses, storm and sanitary sewers, culverts, catch basins, headwalls, and
 - h. the location of all houses or structures, erected on or within said subdivision; to submit separate sheets for sanitary sewer record maps, following the drafting standards of the Hamden Engineering Department; the plat shall exhibit a certificate of completion, signed by the engineer for the subdivision;

14. To comply with the following special requirements, conditions or specifications:

If any sections, subsection, paragraph, sentence clause, or phrase in this agreement shall, for any reason be held to be invalid by a decree or decision of any court of competent jurisdiction, such adjudication shall be deemed to apply only to the section, subsection, paragraph, sentence, clause or phrase so adjudged, and the remainder of this agreement shall be deemed valid and effective.
