

# Hamden North Haven Collaborative

The Hamden-North Haven Collaborative (HNN) is part of the Connecticut statewide system of care. We serve as a “hub” in the community.

The mission of HNN is to connect Hamden and North Haven providers and families (with children & adolescents) to information and resources in their community that support their social, emotional and behavioral health needs.

For additional information, please contact Co-Chairs:

Susan Rubino, Town of Hamden Youth Services Coordinator  
[srubino@hamden.com](mailto:srubino@hamden.com)

@HamdenYouthServicesBureau @HYSBKidsActivities @hnhcollaborative

Carolina Serna, Clifford Beers Care Coordination  
[cserna@cliffordbeers.org](mailto:cserna@cliffordbeers.org)

# HNN

Assesses the social, emotional & behavioral needs in the community

Identifies gaps in services and works with providers to fill those gaps

Provides & connects its members & the community to evidence based training & programming that creates awareness, educates & inspires

Is family driven & youth guided, community based, culturally & linguistically competent & trauma informed

## HNN Collaborative Meetings

every 2<sup>nd</sup> Thursday of the month

**9-10:30 a.m.**

(except December & July)

**HPS Board Room  
60 Putnam Ave.**

**and via Zoom**
