

Hamden 2023 UI Summary of Circuit Work/Scheduled Streets

Every year, UI is required to provide each municipality a street list of where The Company intends to perform scheduled vegetation management in town.

No trees on public property will be pruned or removed without receiving a municipal permit first.

Tree Warden Chris Rhone will inspect every tree they want to work on prior to the issuance of any municipal permit.

CIRCUITID	TOWN_NAME	STREET	MinOfHOUSE_NUMBER	MaxOfHOUSE_NUMBER
